3. The Auctioneers act in all respects only as agents for the Vendor and it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the Auctioneers or any servant of the Auctioneers, whether as to title, description, the quality of any lot sold or otherwise. The Auctioneers and their servants shall not incur any liability to the Purchaser in respect of any defect of title, error of description or imperfection or in respect of any announcement or statement relating to or affecting any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any Purchaser and Vendor.

10. If, notwithstanding Condition 8 above, the Auctioneer permits the Purchaser to remove his lot from the sale premises prior to payment in full having been received then:
 - (a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
 - (b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
 - (c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
 - (d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
 - (e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.
11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.
12. Neither the Vendor nor the Auctioneers will be responsible for any accidents or injury, not arising out of their negligence, which happens to any person or property while on the sale premises. Vehicles are parked at their owner's risk.

FOREWORD

Unfortunately, due to ill health, I am reluctantly dispersing the RODGEHILL herd on Tuesday 24th April 2018.

The herd was established in 1982 when we took the tenancy of RODGE FARM. The herd origins go back to my late Father's HILLBARN herd, which was established in 1960, and then split between my brother and I in 1982. I purchased cows over the ensuing years from some of the country's well-known herds, namely AMROTH, BOBETTY, CRICHEL, GROVE, LANSEN and WILTOR.

From the late 1980's, the cows were mated with top-class proven sires from North America, including DUREGAL ASTRE STARBUCK, HANOVERHILL's SKYBUCK, RAIDER and INSPIRATION, TOWNSEND LINDY, and STARTMORE SUPREME, breeding cows for high production and type. MAUGHLIN STORM was used in the late 1990's and made a big impact on the herd. We followed with bulls like HALDREY LEADERSHIP, CANYON BREEZE ALLEN, and ALTAGEN MERCHANT.

In recent years, we have used RICHAVEN DIAMOND, PINE TREE SID and FAR-O-LA DEBBIE JO DECKER. The current service sires include the high type MOGUL sons, EDG DEMAN and ESTATE and WILTOR DREAMER. The heifers have been served to GUYE HOLDINGS SAMITE.

COW FAMILIES

MELODY (18 Lots) - a CRICHEL family, bought from LANSEN, which can be traced back to Volume 1 of the Herd Book.

SYMPHONY (12 Lots) - from AMROTH- this family won Group of 3 Homebred cows on inspection in the 2016 Monmouthshire Herd Competition.

EAGER(10 Lots) - purchased from WILTOR, along with GERALDINE, EUKELELE, ROSE, MYSTERY and most notably, JACKIE family, descended from HIGHWELLS BROKER JACKIE 3, the twice Supreme Champion of the Royal Show.

FLORA (8 Lots) - a GROVE family, highly classified.

MATT (4 Lots) – from LANSEN, a PI family descended from WALKERBRAE

HERD COMPETITIONS

The RODGEHILL herd has entered the CHEPSTOW Show competition a number of times , winning on several occasions, Best Small Herd on Inspection, Best In-Calf Heifer Group and Best Cow on inspection.

The herd has also been successful in the MONMOUTHSHIRE Herds Competition in many classes over the years and in 2016 won the CHAMPION HERD in Monmouthshire:-

1st Monmouthshire Farmers Challenge Cup for BEST SMALL HERD on Inspection

1st Silcock Perpetual Cup for Group of 3 Homebred cows

2nd Peterkin Challenge Cup for Cow Family Progeny –SYMPHONY family

2nd Genus Cup for Best 1st Lactation Heifer- SNOWCAT MELODY 68

And winning the TOM HART Memorial Trophy for OVERALL WINNER of the competition for COMBINED INSPECTION AND PRODUCTION.

The RODGEHILL herd has been regularly classified and at present has 9 EXCELLENT, 26 VG and 14 GP. Since 1990, a total of 56 EXCELLENT and 203 VG cattle have been bred with the Rodgehill prefix. We have been a closed herd for 14 years.

I would like to thank all the businesses that have supported the sale catalogue and also all the people who have helped us prepare for the sale. We look forward to seeing you on Tuesday 24th April 2018 and would like to wish the purchasers every success with the cattle and hope they have as much enjoyment with them as we have had over the years.

Robert Watts.
