MARKET DRAYTON MARKET are taking the latest Coronavirus (Covid-19) outbreak very seriously and are stringently following government guidelines.

These restrictions need to be adhered to by all customers in order for us to remain open so with immediate effect we will be operating a “Drop & Go Service”.

Market Staff will unload livestock and collect paperwork whilst vendors are not permitted to enter the building.

In line with Government advice it is recommended and requested the following do not attend:-

- Any person that is knowingly ill, showing symptoms of the virus, or has an underlying health issue.
- Those who are 70 and over.
- Ladies who are pregnant.
- Children / Family Members.

We perceive ourselves as an integral part of the food chain allowing stock to be grouped and sold to its full potential to buyers requiring specific stock.

So please help us help you by adhering to these strict regulations.

THANK YOU FOR YOUR ONGOING SUPPORT
