

## **2,220gns TOP AT BROADWAY DAIRY SALE**

The sale of Don and Sara Ingles's loose housed herd of commercial Holstein Friesians on-farm at the bottom of the Cotswold Escarpment just outside the Worcestershire village of Broadway attracted buyers from as far afield as Carmarthenshire, Cornwall and Staffordshire.

The top price was 2,220gns for a November calved 2<sup>nd</sup> lactation cow served again for calving in early December. She had recorded 11,241kg as a heifer and was giving 55.2kgs when sold. She was a daughter of Bomaz Altaentrust and off a 12,980kg V Bar K Storm Pierson sired dam.

An October calving 3<sup>rd</sup> calver sold to 1,800gns having recorded 10,417kgs with her 2<sup>nd</sup> calf. When sold she was giving 44.3kgs and was sired by De Su Altamelhor.

January calved heifers sold to 1,700gns for a daughter of Bomaz Altabetman giving 48.9kgs daily and off a Magor Bolivia Allen 11,324kgs dam.

In-calf heifers sold to 1,250gns for Sandy Valley Altaranger daughters due in the Summer to the Aberdeen Angus stock bull.

Bulling heifers sold to 780gns, yearlings to 640gns and heifer calves to 500gns.

Averages:

175 cows and milking heifers £1,206  
(including 13 heifers calves at £395)  
15 unwarranted cows £646  
29 served heifers £959  
57 maiden and calves £615  
276 lots £1,038
