£2,190 TOP - 22 OVER £2,000 - 42 HEIFERS AVERAGE £1,824

We thought last week it was probably the best trade ever, but the Drayton dairy trade simply gets better and better. More buyers than ever with a few returning home with empty trailers. We have the buyers; we simply need more cattle!

Top was £2,190 for one of eight heifers from Mr Andrew Mallinson, Essex, with only one selling for less than £2,000 and then at £1,940. Andrew's eight heifers averaged £2,072.50 with others making £2,180, £2,160 etc.

R. Fowler & Sons, Droitwich sold to £2,180 and £2,070.

Mr Paul Williams, Llanybydder, sold to £2,150 and averaged £2,077 for his three.

Mr Rob Chilman, Droitwich sold to £2,150 and £2,120. Mr Stuart Wood, Norbury sold at £2,100 twice, Mr Rob Gadsbey, Stafford £2,100, R.W. & E.E. Edwards & Sons, Whitchurch £2,050, Lloyd Thomas, Carmarthen £2,050 and £2,020. Mr Will May, Bromsgrove £2,010. Mr John Sanderson, Lancashire £2,000.

John Sanderson also had the best cow price of £1,790 for a second calver. We appear not to be receiving the number of quality cows at Drayton which are required to satisfy demand. Therefore, more cows would be appreciated.

Four in-calf heifers sold £1,470 and twenty heifer calves to £280.

A three year old Simmental stock bull sold for £2,000 for Mr Darren Young, Balterley.

Averages (including all faults)

42 Heifers £1,824

11 Cows £1,234
