

ProCROSS Dairy Cattle Sell to £2,050

The decision by Sion Jones of Pwllheli to move his herd of ProCROSS dairy cattle from the Lley Peninsula to Market Drayton Market to be sold paid dividends with cattle selling to £2,050 to buyers from all over England and Wales.

The top price was £2,050 for a heifer that was three weeks calved.

Cows sold to £1,740 for a second calver with third calvers to £1,620 and fourth calvers to £1,650 which had all calved since early September.

The trade of the day was for the Spring and early Summer calving heifers back in-calf for next year which sold to £1,620 twice.

The in-calf heifers sold to £1,280 for a December calver.

Averages:

24 milking heifers £1,339
