£2,350 HEIFER TOP

Today's entry was a real mixed bag with fewer top quality calved heifers and cows forward. However, the lower prices brought back buyers that have been missing for a while resulting in only one animal returning home not sold.

Top price was £2,350 for one of four heifers from GJ Sutton, Congleton, with their other heifers selling at £2,280 twice and £2,200 to average £2,278.

Richard Thompson, Ashbourne, topped the cow section with £2,200 for a third calver, closely followed at £2,150 for a second calver from J Lomax & Son, Baldwins Gate.

Other heifers over £2,000 were £2,100 R & R Vernon, Burleydam, £2,050 AP Ford & Partners, Northwich, and £2,020 K Bonsall, Market Drayton.

A large entry of dry cows sold to £1,300, served heifers to £1,000, maiden heifers to £40 and crossbred calves to £60.

Stock bulls sold to £2,550 (Simmental 16 months)

Averages:

First Quality Heifers £2,182

First Quality Cows £2,175

25 Heifers (all in) £1,654

9 Cows (all in) £1,518
