FOREWORD

My family has farmed at Willow Farm, since 1956. Firstly, my grandfather milked here followed by my father. On my return from university, I worked here for a period of two years before being granted a tenancy in my own right on a farm Hampshire.

To start the herd off, I purchased Holstein Friesian cows and any British Friesian I could find, looking for cows of stronger type with good milk solids, once I was up to numbers, I selected Friesian sires with the ability to milk, but maintain and enhance the milk solids. Steadily over the last 12 years I have formed a herd of fantastic cows of average size suited to an autumn and spring grazing system, which produce high value milk, have longevity and produce a good beef calf, as well as a cow that can flesh for culling. The herd is CIS recorded and is registered with the British Friesian Herd Book under the FOXGREEN prefix.

Having established my herd in Hampshire I have used Willow Farm to rear my followers and beef cattle. After looking at ways to grow the farm business, I decided to milk at both farms, with the help of my brother and milking commenced at Willow Farm in 2020. After reviewing the business and logistics together with new opportunities in Hampshire we have decided to move the rearing enterprise back to Hampshire, whilst consolidating the milking herd there and move the beef enterprise to Willow Farm.

Having outgrown my farm in Hampshire, I have decided, as we have a huge surplus of cattle to sell, a fantastic block of September onwards calved heifers from Willow Farm and maintain a tight calving herd of August to September calvers at my farm in Hampshire

The sale in Market Drayton on the 17th May, will bring onto the Market a rare opportunity to purchase, quality, young British Friesian Genetics and I look forward to meeting you all and know you will be pleased with the stock and they will go on and do well in their new homes.

All lots are accepted for sale on the terms the Vendor warrants his right to sell the same and undertakes to indemnify the Auctioneers against all actions, proceedings, claims, costs, charges and expenses to which they may be exposed or which they may incur by reason of any defect in the Vendor's title.
3. The Auctioneers act in all respects only as agents for the Vendor and it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the Auctioneers or any servant of the Auctioneers, whether as to title, description, the quality of any lot sold or otherwise. The Auctioneers and their servants shall not incur any liability to the Purchaser in respect of any defect of title, error of description or imperfection or in respect of any announcement or statement relating to or affecting any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any Purchaser and Vendor.
4. The Auctioneers reserve the right to refuse to accept bids from a Purchaser and they reserve on behalf of themselves and of the Vendor(s) the following rights:
 - (a) to fix a reserve price;
 - (b) to bid on behalf of a Vendor;
 - (c) to re-arrange, consolidate or withdraw any lots or vary the order of sale; and
 - (d) without giving any reason therefore, to refuse to accept the bids of any person.
5. The person making the highest accepted bid shall be the Purchaser.
6. No bid shall be retracted.
7. If a dispute arises as to any bidding, then at the discretion of the Auctioneers, either:
 - (a) the lot to which the disputed bid relates shall immediately be put up again; or
 - (b) the Auctioneers shall determine the dispute, and their decision shall be final and binding on all parties.
8. **The Purchaser shall, when requested, give his name and address to the Auctioneers and unless otherwise agreed by the Auctioneers and the Purchasers shall pay for the lot(s) he has purchased ON THE DAY OF SALE. 10. If, notwithstanding Condition 8 above, the Auctioneer permits the Purchaser to remove his lot from the sale premises prior to payment in full having been received then:
 - (a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
 - (b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
 - (c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
 - (d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
 - (e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.
11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.
