VENDOR'S FOREWORD

We have decided to disperse the Primans herd of pedigree Holstein Friesians.

The Primans herd was established in 1953 when my parents, John and Betty Pullin, took on the tenancy at Normans Farm, Newent. They took on 12 Pedigree Friesians from which most of the present herd has been developed. In 1974 we returned to Priory Farm where the Holstein Friesians gradually phased out the Dairy Shorthorns of my grandfather.

Over the years we have chosen to use high type sires with good legs and feet with long lasting udders. Cow families are a very important part of our herd. One of the most durable families is the Elver family with two 100 tonne cows in its pedigree. Other families of high wearing ability are the Gainful, Twig and Quince families.

In 2017, 25 Holsteins were purchased from the Logan herd to increase numbers.

We have been very fortunate to win various herd competitions over the years, in 2013 we won the Best Farmer Award in the Gloucestershire Food and Farming Awards and in 2016 we won Champion Herd in the West Midland Holstein Club Region and represented the area in the national competition.

We have been supplying the Sainsbury's Milk Group since it was formed. The cows are managed to produce a level supply with very high standards of welfare. The herd is housed all the year round and fed one ration and go out to grass in the dry period.

We would like to thank everyone who has helped us over the years to achieve the herd we have at Priory Farm and wish you well with your purchases.

David Pullin

All lots are sold on condition that the ownership of the same shall remain with the Vendor and no property in the lots whether legal or equitable shall pass to the Purchaser and no lot(s) shall be removed from the premises unless or until: (a) payment in full has been made in cash, or by bankers draft, or by cheque not exceeding the amount stated on an accompanying valid cheque guarantee card; (b) the Purchaser has obtained a pass-out slip from the Auctioneers clerk.**
9. Notwithstanding Conditions 8 and 10 each lot shall be at the absolute risk and at the expense of its respective Purchaser at the fall of the hammer and subject to Conditions 8 and 10 shall be removed from the sale premises at the Purchaser's expense within the time stated by the Auctioneers at the commencement of the sale.
10. If, notwithstanding Condition 8 above, the Auctioneer permits the Purchaser to remove his lot from the sale premises prior to payment in full having been received then:
 - (a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
 - (b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
 - (c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
 - (d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
 - (e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.
11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.
12. Neither the Vendor nor the Auctioneers will be responsible for any accidents or injury, not arising out of their negligence, which happens to any person or property while on the sale premises. Vehicles are parked at their owner's risk.
