## VENDOR'S FOREWORD

The Brooklands Farm has been farmed by our family since 1918, through 4 generations, firstly through my Great Grandfather (John Philips) who milked Dairy Shorthorns. The farm was then taken over by my Grandfather (Charles Philips) who introduced Friesians to the farm. My late father Frank Hickson, then took over and really put a stamp on the farm business, putting a lot of time and effort into the infrastructure, leaving me with a great platform to continue the growth of the business.

Together we changed from the Friesian herd to Holsteins, unfortunately in 1999 due to unforeseen family circumstances, the dairy herd was sold. The youngstock were retained to form the nucleus of a new herd. Wanting to go in a different direction, milk production restarted in early 2001 under Organic production. Jersey in-calf heifers were purchased from Denmark and run alongside the youngstock, that I had retained. The Jerseys were bred to Brown Swiss as were the Holsteins. I liked the Brown Swiss and in 2008 I bought a local herd of Brown Swiss cattle to expand further from the Bevan family.

In 2017/18, I started serving the herd to Scandinavian Reds to further improve udder health and this has left me with good strong cows that have tremendous amounts of milk solids and nearly every cow has given more than 5% fat and 4% protein at some stage of their lactation. Breeding has been done carefully, not only do I want high constituents, but I also want a cow which is pleasing on the eye and can produce good calves. The herd has very low lameness issues and very low mastitis issues. These cows are managed on a very low maintenance basis but would thrive superbly under a more intensive system.

Brooklands Farms, as many of you know has been sold and it is my intention to start milking again sometime in 2026 on another farm nearby. The current youngstock will form the basis of the new herd allowing me to retain the much loved characteristics of the herd. This will enable us to continue to drive forward our ice cream business, Brooklands Dairy, which Helen and I started in 2021.

I would like to thank everyone who has supported us and worked with us on the farm. We have been blessed with loyal and hard working helpers over the years, past and present and for that I am grateful. I would also like to thank Peter Long for not only his consultancy work over the years but also the help he has given me as a dear friend, through the good and difficult times.

I look forward to seeing you all at Brooklands Farm on the 24th and hope you will be pleased with what you see before you.

*Paul Hickson*

9. Notwithstanding Conditions 8 and 10 each lot shall be at the absolute risk and at the expense of its respective Purchaser at the fall of the hammer and subject to Conditions 8 and 10 shall be removed from the sale premises at the Purchaser's expense within the time stated by the Auctioneers at the commencement of the sale.
10. If, notwithstanding Condition 8 above, the Auctioneer permits the Purchaser to remove his lot from the sale premises prior to payment in full having been received then:
  - (a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
  - (b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
  - (c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
  - (d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
  - (e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.
11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.
12. Neither the Vendor nor the Auctioneers will be responsible for any accidents or injury, not arising out of their negligence, which happens to any person or property while on the sale premises. Vehicles are parked at their owner's risk.
