VENDOR'S FOREWORD

The Bossagate herd was created in the 1970's and has been a closed herd for as long as I can remember.

Upon taking over the herd from my parents over 10 years ago, we have bred the cows to be minimal maintenance, easy calving, great temperaments, also being a pleasure to work with, whilst also getting great solids and pushing good yields, all on a standard TMR with no target feeding, calving all year round and cubicle trained.

We have over the last few years chosen to use robot ready bulls as we had planned to eventually invest in robotics.

We are proud of the overall health traits of our herd and have been on a higher welfare contract with Arla, because of this. Cell counts remain consistently below 100.

We have won numerous awards in the Oxfordshire, Northamptonshire, Buckinghamshire and Berkshire NMR competitions, including lowest cell count in 2023.

Our decision to sell the herd has come due to the unexpected and early death of my mother, this has removed the time we needed to borrow and invest further in the dairy enterprise before having to deal with succession.

 - (a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
 - (b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
 - (c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
 - (d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
 - (e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.
11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.
