

ROSS DAIRY SALE

THURSDAY 9th FEBRUARY 2017

15 Sold

Auctioneer: Gwilym Richards

Sale at 11 am

A very good trade with insufficient numbers forward to meet the strong buying support on a bitterly cold day.

First quality calved heifers sold to £1,943 (1,850gns) for R H & M E Oughton, Moreton-in-Marsh), £1,901 (1,810gns) for B M Stephens & Son (Westbury-on-Severn) and £1,806 (1,720gns) for Geoff Morgan (Tewkesbury).

The trade for the second and third quality was a lot stronger.

There were no cows of quality forward.
