With the weather set fair for first cut silage and maize planting, many vendors and purchasers opted to stay at home. But the trade was just as hot in the ring as it was outside!!

Quality was lacking in this week's entry, but regular vendor Mr M.T. Jones showed a super, nine-day fresh heifer giving 30kgs to a top price of £2,080. This was closely followed by £2,040 for a quality Red and White heifer by Pine Tree Arbor Red from Mr J.M. Griffiths, Stoke.

At £1,900 a stylish dairy heifer with a great udder sold well from J.E. & S.J. Wood, Norbury.

Once again milky cows were highly sought after and the first animal in the ring made £1,900 from first time vendors R.H. & S. Mason, Hereford, their 2nd calved cow sold six weeks calved and yielding 43kgs. This was followed by a German 3rd calved cow at £1790, again yielding over 40kgs

Averages:

1st quality heifers £2,007

1st quality cows £1,766.

All heifers including faults £1,428

All cows including faults £1,567
