Normal business resumed. After last week's difficult trade, today's prices were £200 up for what was a generally poorer quality entry with a high proportion of longer calved milkers.

Five fresh heifers made over £2,000 with Rob Gadsbey, Yarlet topping proceedings at £2,110, and his son Alfie not far behind at £2,000. David Monk, Ormskirk sold for £2,100, Michael Oakes, Birmingham £2,000 and Wyndford Wagyu, Newport £2,000.

The top 20 heifers averaged £1,825.

Today's entry included two consignments of milkers which had been longer calved but all found new homes from the very full ringside enhanced by live bidding via MartEye with several being bought online.

There were no star cows on offer with the best second calver making £1,530. An Ayrshire heifer sold for £1,520 and a Dairy Shorthorn heifer £1,460. Heifer calves sold to £130 and a Hereford bull (17 months) £1,780.

Next week's sale includes a special entry of 15 well-bred pedigree close calving heifers from one farm.

Averages:

Top 10 Calved Heifers £1,949

49 Heifers (all in) £1,530
