

2,150GNS FOXGREEN BRITISH FRIESIAN TOP AT MARKET DRAYTON

The sale of calved and in-calf heifers from the Foxgreen herd of pedigree British Friesians for Will Fox of Hampshire peaked at 2,150gns at Market Drayton Market, Shropshire.

The top priced calved heifer was the first lot in the ring and was purchased by a Cheshire buyer. She was a Skyhigh Patrol daughter which had calved last August and due this September to the Aberdeen Angus stock bulls.

The two Aberdeen Angus stock bulls both 35 months old sold for 3,000gns and 2,000gns.

Another August calved daughter of Skyhigh Patrol sold for 2,000gns.

In-calf heifers sold to 1,480gns twice to a Carmarthenshire buyer, one was sired by Catlane Chad and the other by Deangate Quaich. Both were calving in October to the Aberdeen Angus stock bulls.

Averages:

53 milking heifers £1,406

42 in-calf heifers £1,163

2 Aberdeen Angus stock bulls £2,625
