

WERN FARM HOLSTEIN FRIESIANS SELL TO £2,180 AT WHITLAND MART

Top price was £2,180 at the reduction sale for David and Eirian Thomas at Whitland Mart which had been moved the robot milked cows and heifers from Wern Farm, Bancyfelin, Carmarthen for sale convenience.

The sale attracted determined buyers for the all year round calving herd of chiefly imported cows.

The top price was for a home bred third calver which had been calved a week.

£2,020 was paid for a second calver bred in the Goitre herd which had been calved two months.

Another Goitre bred second calver which had been calved nine days sold for £2,000.

Averages:

154 milking cows (including all faults) £1,446
