SHREWSBURY HERD SELLS TO £1,980

The dispersal sale of the milking portion of the commercial non-recorded herd of Holstein Friesians for Matthew Leeke and his family from Alberbury, Shrewsbury attracted many buyers to Market Drayton Market.

The top price of £1,980 was paid for a third calver which had been calved a fortnight.

A fifth calver calved in August sold for £1,850.

Two August calved heifers made £1,750 each.

The all year-round grazing herd included many mid lactation cows.

Averages:

76 milking cows and heifers (including faults) £1,077
