Auctioneers: Jason Brown (07774 816384) & Gwilym Richards (07768 020393)

TOP PRICE HEIFER £3,150 TWICE

TOP PRICE COW £2,920

A much lower entry, but expected due to Dairy Day at Telford.

As the saying goes "Fortune Favours The Brave". Vendors very reluctant to sell as they expected buyers not to be in attendance but those who did present their cattle were very well rewarded, with trade generally £200 head up on all qualities from previous weeks.

Topping the sale were Cranes of Stixwould, Woodhall Spa with both their Pedigree heifers selling for £3,150.

Sweet farming heifers from Mr K.J. Morris, Beoley. £2,800, £2,550 and £2,080. Cross bred from HS. & CA. Callwood, Ollerton £2,400.

The cow section overall was dearer than the heifers with buyers, once again looking for a cow with good quantities of milk. Dispersing vendors L.F. Horton & Son, Northwich £2,920 for a second calved pedigree cow. Older cows as dear as we have seen recently with 52 month old cows at £2,620, £2,450 and £2,320 all from DJ. & E. Guy, Kinderton.

Served heifers carrying a CZ tag and running with the bull for late winter calving these were sold straight off grass, aged 43-46 months old and sold to a very respectable £1,600.

Averages:

Cows (all breeds/faults) £2,425

Heifers (all breeds/faults) £2,390

Served Foreign Heifers (crossbreds) £1,325
