ORGANIC MILKERS TOP AT £2,700 TWICE

The well attended sale of Organic Danish Red and Brown Swiss cross dairy cattle for Paul Hickson held on farm near Ellesmere, Shropshire topped at £2,700 twice.

Both top prices were for freshly calved Danish Red cross heifers, one being purchased by a Shrewsbury buyer and the other by a Macclesfield, Cheshire buyer.

The same Shrewsbury buyer paid the top cow price of £2,650 for a fresh calved Brown Swiss cross second calver.

North Wales buyers from Wrexham paid £2,500 twice for second and third calvers and a Bala buyer paid £2,400 for a Fleckvieh cross fresh heifer.

Many cattle went to buyers from Somerset and Warwickshire.

A very successful sale for a once a day milked herd.

All 175 cattle averaged £1,840.
