£2,100 TWICE FOR VALE OF EVESHAM GRAZING CROSSBRED MILKERS

The sale of Spring and Autumn calving crossbred grazing milkers peaked at £2,100 for the Appleby family when sold on their farm near Evesham, Worcestershire.

Heifers and cows both sold to £2,100 with the first being a heifer that had calved in August and was one of a lorry load of 34 destined for new pastures in Wigtownshire, South West Scotland.

Another August second calver made the same top price of £2,100 going to a Carmarthenshire buyer.

In-calf heifers for calving later in the year sold to £1,600 to a Staffordshire buyer.

Bulling heifers sold to £900, one of 37 purchased by a buyer from near Monmouth.

A 33 month old Hereford stock bull sold for £2,050 to a new home outside Welshpool.

Averages:

81 milking heifers £1,343

154 milking cows £1,321

2 in-calf heifers £1,540

96 bulling heifers £655

2 Hereford bulls £1,985
